### Important Information / Please Note:

All pricing is subject to modification without prior notification and does **not** include sales tax/VAT - shipping costs not included  
Cinema 4D versions running with MLS are floating licenses and are therefore invoiced as full licenses (SRP)  
To order a competitive sidegrade we need a proof of purchase of the competitive product, e.g. copy of the invoice  
For upgrade orders the 11-digit serial number of the previous version is required  
Special terms, prices and availability are subject to change without notice  
MAXON assumes no responsibility or liability for any errors or inaccuracies that may appear in this price list  
All returns must be approved by MAXON beforehand  
When upgrading or downgrading to R20 the old license will be rendered invalid  
Student and classroom licenses are restricted in use and require a special agreement form  
Each MSA requires its own agreement contract. Service may vary in your country!  
MSA is only available for MAXON products R20 or newer (no 3rd party products)  
If an existing MSA is expanded by the purchase or upgrade of an additional license, the increased annual fee will be charged beginning the month that follows the purchase or upgrade  
To order Cinema 4D Lite Upgrade we need the MAXON Cinema 4D Lite ID which is shown in the Cinema 4D Lite version coming with After Effects Creative Cloud!  
One upgrade per ID only.

#### Short-Term Licensing (STL)

For order processing a complete customer record, at least a valid e-mail address, is required!  
75% of Short-term Licence fees can be credited against an upgrade of that same licence number to perpetual licence (Prime/Studio).  
MSA must be purchased at the the time of the perpetual license upgrade  
Credit cannot be used towards MSA  
Only one-to-one license credits can be applied to an upgrade  
Maximum credit can not exceed the retail price of Cinema 4D Prime/Studio  
In order to receive credit for multiple terms, customer's Short-Term License must be concurrent (no breaks between terms) and active on the date of upgrade  
There are no refunds for Short-Term License fees paid

**Reprise License Manager (RLM):** For order processing additional customer data is needed: Ethernet-ID of RLM server, name of RLM Server, physical or virtual  
Abbreviations: **MLS** = MAXON License Server, **MSA** = MAXON Service Agreement, **NFL** = Non Floating License, **CLR** = Command Line Render,
